

yulee

Yulee Hall Council is the governing body of the hall. By participating in hall government, the council make ourselves a part of the hall and a part of the campus.

The hall started off the year with Welcome Week. Homecoming found us building a 60-foot alligator. The council celebrated Christmas with a party, decorated a tree and sang carols. Open houses, dances, meetings and gab sessions filled the year. Religion-In-Life Week, campus elections and the Dollars for Scholars drive were hall activities.

The end of the year came and with it an awareness of the things that came together to make the year wonderful.

In its first five years of organization, the purposes of the Jennings Hall Council have been to promote harmony in the residence halls and to plan activities for the residents. Jennings kicked off the year with "Welcome Week"; Religion-In-Life Week discussion, "The New Morality," followed; Charles of the Ritz beautified our girls; "Pixie Week" was fun for all.

The Council participated in Dollars for Scholars Week, placed second in Homecoming dorm decorations and began the first weekly newspaper published in the dorm.
